Fuity Sluts Pops His Cherry!

Thought your readers might like to hear about what happened when Jill, a single parent and my best friend, had to visit her sick mother. She asked me to keep an eye on her 18-year-old son, Mark, who had just started college.

I have known Mark since he was quite young and grew up calling me Auntie Stacy. Now, like many women, I have always hated wearing a bra, much to my husband's delight.

I find them very restrictive, and unnatural. I much prefer to let them do their own thing, bouncing and swinging around.

So, most days after work I slip into a pair of shorts and a chin vest top.

I was busy ironing one night when the door bell rang, it was Mark. He said he was bored and could he watch TV with me.

Mark settled down and I continued with the ironing. I soon started to notice Mark kept looking around in my direction, then I realised he was staring at my now fully erect nipples peaking through my top.

So, the next time I looked over, I said "Surely you have seen a pair of nipples before?"

Now Mark is a very quiet and shy boy, and said very sheepishly "only in magazines." I said, "Don't tell Jill," and I lifted my top to give him a quick flash.

Mark stared in amazement, then there was a silence, before I said, "Do you want another look?" "Yes, please," was the reply, so I took my top, and threw it at him. I was feeling really horny now, and said "Do you know what your Uncle Chris does when I have been a naughty girl?"

He shook his head. So, I picked up a clothes peg from the basket and clamped it on my erect nipple.

"Well, would you like to do the other one?" and offered Mark a peg. His shaking hand took it gave the nipple a good pull and twisted and clamped it on hard.

Mark took hold of the nipple and started to pull "Harder!" I shouted.

Mark pulled the nipple hard, then clamped the other peg on. I gave out a sigh of delight.

I then dropped to my knees and started to unzip his jeans, letting his hard and un-fucked cock spring free.

I told Mark to lie down with his hands behind his head, before gently licking the tip of his cock with my tongue. I felt his whole body tremble as I took his full six inches of virgin cock deep into my hungry, salivating mouth. "Don't come yet," I said then stood up and pulled off my shorts.

Mark gulped as I squatted down over his erect cock. I teased him by rubbing my cunt lips over the tip of his cock, before I plunged myself down onto him, taking his full length of man meat easily in my hot cunt.

I started to bounce up and down, my tits flying in all directions.

"Fuck your auntie, fill me with your hot spunk," I cried out, on the verge of a tooth rattling orgasm. Mark started to jerk, gave a loud groan, then let go, filling my cunt with his spunk.

I plunged down onto him once more, deep onto his cock and screamed out as I

orgasmed.

I told Mark when he passed his exams, I would give him a special treat! I bet that makes him work a bit harder!

Twats Are What Friends Are For

A few weeks ago I went shopping for a new sexy outfit. Before long I was kitted out like a million dollar tart. I tottered along on my new stilettos, with my sheer stockings veiling my long legs. Cool air wafted around my thighs, over which my taut suspenders slapped with each step.

My tits were pushed up

by a tiny silky bra and my G-string sat between my cheeks and rubbed against my clit. A low cut top displayed my cleavage and a miniskirt just covered my stocking tops. I'd arranged to meet Dave in the pub and all eyes followed me as I walked over to his table.

Dave was talking to a dishy bloke called Pete.

I sat down next to Dave and gave his crotch a friendly squeeze while Pete got some drinks. When he sat down again, he said, "You look gorgeous." Smiling, I pressed my leg against his and gave his crotch a

BELLE

Belle has got herself a bit of a reputation of being a quiet and innocent girl when she comes into our offices. "It's true, I like to come in and mingle with you guys, a mug of tea and a few biscuits goes down a treat while I catch up with the guys." And then what happens, it's like a switch is flipped? "Oh you mean when I start ripping my clothes off and start fucking myself with whatever dildo you have on offer? I guess you can't take the slut out of the girl can you? It just comes naturally to me."

REAL WIFESEX

RED-FACED FOR ALL THE RIGHT REASONS

You know what it's like when you move in to a new place – you spend about a week unpacking boxes before you can even think about re-arranging furniture. I'd spent about that long sorting out all my junk when I moved into my new flat a couple of months ago, and there were certain things that I just didn't prioritise – things like curtains.

Now, in retrospect, that was really fucking stupid and could have gotten me into a lot of trouble, given that the flats opposite me could actually see into my place but, being a bloke, I just thought, 'Screw them. If they want to look, let them look!'

So all during the summer you'd find

me at about 10.30pm with the lights off, the windows open and porn playing on my TV very, very quietly (have you any idea how far a copulating couple's moans and groans can travel?). I figured that from where I laid in the darkness on the bed, very little would be visible to anyone glancing out of their back window. Stupidly, I hadn't stopped to think about the light from the telly reflecting off me, and particularly my baby-oiled cock as I slapped myself into nirvana and gushed spunk all over the place. But pretty soon I realised my naïve mistake.

For starters, the gay guy across the road began smiling and nodding

knowingly

at me in the morning, as we passed each other on our way to work. I didn't twig! It was only when I got home one evening and found an envelope pushed under my door that the penny finally dropped.

Grabbing it on the way in, I opened the envelope as I made myself a much-needed cuppa. I suddenly had a yearning for something a bit stronger

when I clocked the envelope's contents. Inside was a photo, albeit not a very clear one, of me lying on my bed sporting a monster hard-on and spanking myself off! I was barely over the shock when I spotted the note taped to the back.

It read: "Be at your window naked at 10.45pm". My immediate reaction was that the gay bloke from across the road had sent it. 'Fuck you, mate,' I thought.

However, the longer I stared at it, the more I realised just how feminine the handwriting was and began to envision some curvaceous hottie, getting off on watching me getting off. Still, I couldn't be sure, so at the appointed time I made sure I was wearing some pants, just in case it was matey-boy!

To my delight, at 10.45pm, a light went out one floor up and opposite my flat, and a foxy looking brunette stripped off in front of her window, smiling at me – and no, it wasn't my birthday and no, I definitely wasn't dreaming! I couldn't see anything of her below the waist, but what I could see looked fantas-tic; she appeared to be in her late 20s, with pert little tits and short bobbed hair. As she played with her nipples with one hand, she gestured for me to start playing with my erection. I slipped my boxers off and started kneading my cock hard, even banging my helmet against the

window for effect! When I looked up, though, she'd gone! I plonked myself back on the bed and decided to take my frustrations out on my knob. I was just about to oil my dick up when there was a knock at my door. Grabbing a towel, I looked through the spyhole and was gobsmacked to see the gorgeous brunette outside, wearing a long coat and looking decidedly nervous!

I opened the door and she stepped in and introduced herself as Stacey. "I've been watching you for weeks," she confessed, slipping her coat off to reveal herself totally naked underneath. "And, although I've never done this before, I wanted to give you a helping hand!"

I introduced myself, although she already knew my name from the mailbox outside, and dropped my towel. My cock was at half-mast, so Stacey reached over and started wanking it back to its former rock-hardness; it didn't take very long, believe me! I grabbed one of her pert boobs, rolling her soft, pink nipple between my thumb and forefinger, enjoying how it stiffened until it became bullet-like.

Pushing me away gently, Stacey perched on the end of my bed and, opening her legs, revealed her juicy snatch to me properly. Her trimmed pussy looked so inviting, I felt myself almost salivate. I headed be-tween her legs, but Stacey pulled me down onto the bed next to her and pushed me back against the pillows. Taking my rigid prick in her hand again, she gently wanked away as she reached over for the oil with the other.

Pouring a generous amount into her hand, she rubbed it over my shaft, concentrating on my purple helmet, making me shiver with anticipation. "You like that?" Stacey purred, "I've waited for weeks to do it..." She broke off as she gave me a long, linger kiss, her tongue pushing between my lips and exploring my mouth. Without stopping her smooth stroking of my dick, she started playing with her swollen clit with her other hand.

The sight of her instant ecstasy drove me crazy, and as her clit-rubbing increased in tempo, so did her wanking until she was tossing me off like a woman possessed; hand-fucking my cock like it was a champagne bottle, with her grip banging into the ridge of my bell-end. I warned her that I was close to cumming, but she just grinned, so I relaxed and let it happen. My balls

tightened and my cock-head expanded in her hand until a thick jet of sticky jizz shot out of it, covering her wrist and forearm. Stacey kept wanking and a second and then third stream flew out of my prick, landing on her leg, the bed and me. I was quite impressed with myself! As her movements slowed, she bit her lip and clamped her thighs together on her hand as she also came, but then to my amazement, she put her spunk-sodden hand to her mouth and licked it clean.

Unsurprisingly, perhaps, Stacey and I are now seeing each other, and we now both enjoy voyeur ses-sions from our windows.

I've even invested in a pair of binoculars – well, if something's worth doing...!

friendly squeeze too. Dave just laughed, put his hand under my skirt and let his finger trail across my pussy lips.

I made a quick decision, knocked my drink back and ordered, "Come on you two, home!" When we got there, I simply dropped my skirt, threw off my top and kissed Pete full on the lips. He clutched at my naked buttocks as I ground my belly against his growing erection. I undid his belt, pulled at his zip and yanked down his trousers and briefs. His enormous cock sprang free and upright, and I wrapped my lips around it. I took it deep into my mouth but could still get two hands around the shaft. I bobbed my head up and down over his quivering staff while his hands gripped my tits.

I pulled him to the floor, sucking and nipping him all the time. He held my head and worked me up and down on him. Then I felt Dave's hands on my arse and his tongue exploring my oozing cunt. My g-string was tugged to one side and Dave's prick was pushed into me. He rammed his rock-hard member in with hard rhythmic strokes in time with mine on

Pete's cock. I knew I was cumming and bucked my arse to meet Dave's thrusts. Dave came first with a howl of ecstasy. Then Pete came, filling my mouth with salty spunk. Dave's last stroke took me over the edge and I orgasmed, my cunt muscles milking the last of his cum. Both men looked shagged out, but I wanted more. I nibbled on each prick, rolled their balls in my hands and soon revived them. Pete grew and grew in my mouth until his length was solid. I moved back to Dave, whose tool wasn't as long as Pete's, but thicker by now and just as iron hard. I straddled him and impaled myself, screwing myself downwards on him. As I leaned forward to scrape my cheeks against his hairy chest, I sensed Pete at my rear end, dribbling saliva onto my arsehole and working it in with his tongue. His pointy tongue pushed inside me and I clenched even harder on Dave's cock. The sensations in my quim and anus at the same time were driving me crazy. A mini-cum swept between the two points and I pushed my arse back onto Pete's tongue, desperately wanting him to push his hard dick into

me. My ring contracted briefly then relaxed as he pushed himself in, slowly and gently. I felt the head of his prick enter, then his foreskin bunch up at my opening before it flopped in, followed by the rest of his cock until his balls banged against me.

My two tunnels were gripping both men so tight they couldn't move. In turn I moved up and down on Dave and back and forth on Pete. I moved faster, pinching their cocks with my muscles. Pete's nails were digging into my arse-cheeks, Dave's into my tits.

I began to buck and twist in a frenzy, calling out their names and howling with absolute pleasure. Then my orgasm rolled out from my cunt to my swollen nipples, to the tips of my fingers and toes and back again.

The spasm in my two holes made both men empty their hot loads into me at the same time. Each time I cried out I felt another wad of cum spurt into me. We all collapsed in a tangle of sweating arms, legs, tits and cocks.

Collette

We usually save the Paul Raymond board room for very important meetings, but Collette couldn't help but interrupt us for an impromptu photo shoot! And we're glad she did. The wood lined walls might be a bit old fashioned, but the company has been around for nearly 90 years, so we like a bit of nostalgia. What she did on the boardroom table with the photographer after we all left was far from traditional though! Well, that's the story he told us anyway. We'll send the cleaners in.

"They say women are like a fine wine. Apparently they get better with age. I'm not a big fan of wine, but I'm my wife's number one fan. She never fails to surprise me. She's the kindest woman I've ever known, but also the filthiest woman I've ever come across (and all over).

Girls don't come much cuter than Brie and you wouldn't think butter wouldn't melt in her mouth until she eagerly rips off her clothes and reveals her naked body and tattoos! "I've always felt more comfortable when I'm naked. When I get home from work the clothes come off and they don't come back on until I walk out of the door the next day. Sitting naked on the sofa is the only way I can get my boyfriend to watch Strictly Come Dancing. And he gets plenty of attention during the breaks!"

Loose Lucia Love loves cock. With her smouldering features and come-to-bed-and-don't-get-out-again eyes she's one of the hottest commodities on the British sex market at the moment. So we were thrilled when she came to visit us at Paul Raymond Towers and insisted on shooting in our palatial lavs. Which is just where we wanted to be, with ten metres of Andrex, after seeing her shoot!

CONTINUED FROM PAGE 18

I nervously peeled off my panties and got into the bath with James, trembling with anticipation.

After a few minutes splashing around our partners were completely forgotten as we eagerly washed each other.

I was fascinated by James's penis which was circumcised – something I'd never seen before. I loved soaping his cock as it grew harder. He was having great fun soaping my small, firm breasts. He ran his slippery fingers over them, stopping to tweak my nipples with his thumb.

We quickly got out of the bath and all four of us went to the bedroom. Here my husband watched as I lay on the bed and allowed James to spread my legs. He knelt over me and ran his tongue down the length of my body, pausing to take in each bullet-hard nipple on the way.

I moaned as he reached my soaking pussy. He began to lap at my sweet nectar while my husband stood by and slowly pulled his cock. I closed my eyes as James teased my clit.

After about a minute of being licked out I came with a groan and a surge of juice. I opened my eyes to see that Tara was now on her knees sucking my husband's cock. James then got on top of me as my husband got his balls

sucked by Tara.

He guided his helmet to my pussy lips and slowly inserted his shaft.

He fucked me hard and fast for several minutes but because I was not on the pill I told him not to spurt in my pussy. Then I turned over and told him he could fuck my arse if he liked. He massaged my pussy juice into my arsehole with his thumb. He slowly eased his thick cock Then I turned over and told him he could fuck my arse if he liked.

He massaged my pussy juice into my arsehole with his thumb. He slowly eased his thick cock into my tight arse until he was in almost as deep as his balls.

He started to pump slowly and gradually sped up his thrusts. The hard ridge of his helmet sent me wild and I had a tremendous orgasm.

I felt his circumcised cock twitch and then a lovely hot gush of sperm spurted into my arse. As soon as James pulled out my husband took his place.

He wedged his cock into my stretched arsehole in one motion. After just a few hard strokes my husband mixed his spunk with James's deep in my arse.

Since that evening I have had a couple of other interesting experiences with other men. I love the idea of men wanking and spurting over my tits and pussy.

Funny Games!

Two years ago a friend of my husband's broached the subject of swapping or sharing girlfriends.

My husband had always had a fantasy about this so the conversation soon turned to how and when.

I was very unsure and nervous at first but agreed at least to see how things went if we spent an evening together.

Fortunately my husband's friend, James, was a really easy going and funny guy which put us all at ease when we arrived at his place after a long drive.

His girlfriend, Tara, made us a meal and we opened a bottle of wine. Afterwards we agreed to a game of strip poker. We played the first

few hands with no forfeits, but after that the loser had to remove an item of clothing. Within no time we were all throwing bits of kit off.

My husband was the first to lose all his clothes completely, followed closely by James. They'd played suspiciously badly, maybe to make it easier for me.

They were both sitting there completely naked with their cocks already hard. I had only a skimpy G string left and I was getting turned on. Then James made the first move by suggesting that he and I take a bath together. I was ready to allow things to develop further so I agreed. My husband and Tara agreed to wash our backs or whatever else we wanted!
